BIBLE INTENSIVE STUDY

meadowlands
BAPTIST CHURCH

A Bible Intensive Retreat

involves a group of people intensively studying a short book or section of the Bible. The leaders will decide on a passage of Scripture and print off formatted copies. Our whole time together will focus on this particular passage. The leaders will guide the group to wrestle with the text. This is not a lecture but a facilitated group discovery. The goal is to create a deeper understanding of the text and provide methods for Bible study that all participants can use in the future.

OUR GUIDES

Jim Elliff

Jim is founder and president of Christian Communicators Worldwide. His passion is to communicate God's truth. Since 1985, Jim has addressed Christian ministries, seminaries, Bible schools, universities, churches, and pastors' fraternals throughout most of the United States and in many countries overseas. He has authored four books and numerous articles that appear in periodicals and websites.

In addition to his writing and travel, Jim began Christ Fellowship of Kansas City in 2003 where he serves as a pastor. He and Pam have been married for 40 years. Their three children are active in ministry for Christ.

Steve Burchett

Steve is a seminar leader, writer, and assistant to the president for Christian Communicators Worldwide. He enjoys communicating the Bible at retreats, conferences, and pastors' meetings. He has also had the opportunity to share God's truth in several foreign countries. In addition, Steve loves to teach through his writing. His many articles may be found at various websites including ccwtoday.org. Steve currently serves as a pastor in Christ Fellowship of Kansas City. He and Patty have been married since 1998 and they have three children.

"I attended my first Bible Intensive Retreat led by Jim Elliff & Steve Burchett a few years ago. I can honestly say that it has revolutionized the way I read and study the Bible. Instead of searching for what people have written about a particular passage, I now have a hunger to go directly to the source. Although there are certainly helpful resources for understanding the Scriptures, the power and authority come from God's Word alone. I hope you can join us as we discover the treasures of God's truth together." —Pastor Kevin Williams
