## May Update

Dear friends in Christ,

**Meetings:** We're grateful for good meetings. We're now fully booked through the end of August, and I'm working on getting meetings for September–November.

**Support progress:** We're grateful for gospel partners and that attaining what is lacking with our support needs is progressing well. We have 85% of our support at this moment.

**Visas:** The earliest possible date for us to apply for visas is the end of August/early September. I am working on obtaining the various documents and the support level the Spanish consulate requires, and in the proper time frame they require. I gave a couple of illustrations in our last update, but overall, some documents can only be 1 year old, others 6 months old, and others 3 months old. So I'm timing those processes with our target visa application date, which means that I have not yet requested the 3 month old category.

**Spain departure target date:** We have readjusted our target date for our departure to Spain to the end of November, per the visa process demands, and the needed support. So Lord-willing, we hope to leave for Spain by then.

**The Dominican Republic:** I still have banking ties to SBI for its operations, but the process is advancing well. There is just one more step left for me to transition out of that.

### Prayer:

- Praise God for incoming support.
- Request for visa documents to be smoothly processed and accepted by the consulate.
- Request for God to open doors for the gospel in Spain. We long to serve Him there.

Grace and Peace,

Jeremie, Amy, and the kids
