We are so thankful for your faithfulness to our ministries here in Santa Cruz. We are now able to have in-person services with almost no Covid 19 restrictions. We are seeing people come back to church and getting involved in ministry again. We have new people visit every week and have seen a couple saved recently. We are also installing air conditioners so that our services are more comfortable and making some other changes to Emmanuel Baptist Church.

We are now into our second trimester of the Baptist International Seminary. Due to Covid 19, this is the first time that we are able to have in-person classes. We have a good group of students and are making some changes and adjustments to the Seminary. We are also doing some much needed renovations after having only virtual classes for almost two years. We are working towards making our classes completely on-line as well as having in-person classes. Some of our graduates are getting some post-graduate training in order to enhance their ministries and also prepare to help the seminary in the future. In our last prayer letter we asked for prayer so that we could have in-person classes this year and we want to thank you for praying towards that end. The Lord has answered that. We covet your prayer for one of our graduates. His mother had cancer and had successful surgery but needs chemotherapy. It is difficult for Albert to care for his mother, his family and church. Please pray for Albert's mother, Nancy.

Our daughter Hannah is graduating from High School this year. We will need to travel to Canada for a few weeks later this year to get her certification and prepare her for post high school education. We covet your prayers for her.

Thank you so much for your financial and prayer support.

God bless you all.

Jake, Sharon and Hannah
