July 2022

Thank you for praying for us! The last few months have passed quickly amidst the daily schedule of life and ministry. We are grateful for the Lord's work in Malta and the opportunities He gives us to serve Him. Our church attendance has been increasing, which has brought us new people to connect with along with the return of those we have not seen for a long time. We recently organized a new members' class and will soon welcome four people into our church membership. Two of them were baptized in May and are already serving in various ways. Growth is exciting! Others have recently connected with our ministry and do not have a clear understanding of the gospel. We have new attendees who have begun attending after moving away from the conflict zone in Eastern Europe. Though their English is very limited, they want to fellowship with God's people and use live google translate during the services. There are others who have inquired about baptism and we anticipate another baptism service mid-summer. In our context, we regularly encounter diverse and complex situations that require wisdom to navigate. We covet your prayers as we seek to represent Christ and minister truth into many different life circumstances and cultural backgrounds.

Our building project has surged forward in the last months due to workers returning to the site and the receipt of tremendously generous provisions from donors. We are amazed at the ways the Lord has provided for us and anticipate moving our services upstairs in a matter of weeks. We have secured new doors and other finishings that will be fabricated and delivered over the next couple months. Though we plan to begin using the "upper room" before everything is finished, we will plan a special service to commemorate the Lord's provision in early Autumn. These have been full months! Our children finished their school year last week, and I attended two D.Min modules in Iowa from Malta via Zoom at the beginning of June. Our field administrator, Steve Gault, visited mid-month, and we anticipate other visitors over the summer months. We thank the Lord for sustaining us and giving us good health. Pray that our family will be recharged and grow spiritually over the summer. Rowan will be applying for a program at MCAST (Malta College of Art, Science, and Technology) for his last two years of high school, and the other children will continue in their schools at the end of September. Rowan is helping teach a children's self-defence class (Krav Maga) over the summer and all four children will also participate in a sports/swimming program three mornings a week. Erica finished her ladies' Bible study in June and continues to teach the children's church each week along with counseling ladies in the church. Pray that the Lord will further conform our church into the image of Christ, and pray that we would see people trust Christ for salvation. Besides the leadership mentorship program at church, I am discipling a couple men and involved in various counseling situations. We continue to be grateful for the Baptist Mid-Missions team of the Tanis and Mifsud families that we work together with. May the Lord keep us faithful and cause us to bear fruit to his glory!

Thank you for praying for us and financially supporting the Lord's work in Malta.

In Christ,  
Josh, Erica, Rowan, Kian, Selah, and Naya Burrill

"Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; and for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel."

-- Ephesians 6:19-20
