Summer 2022

Dear Co-Laborers in Ministry,

Opportunities

You have been praying for Wendy, a very kind lady that Debbie became acquainted with through a community choir in which they both participated. Wendy is slated for hip-replacement surgery, and when she realized that Debbie had been through it, a bond was formed between them. They have met numerous times, and Debbie has shared biblical truths with her. When Wendy became aware of Debbie's pancreatic cancer diagnosis in April, that relationship blossomed to include Wendy's husband, Ian. To thank him for several occasions of his help, I took him for coffee, and we got to know each other better. Pray for our relationship to develop further over the next several months. Especially pray that I would have the opportunity to talk about the Gospel with him.

Debbie

I must first thank you for your faithful prayers over the past three months. "May the LORD fulfill all your petitions" (Psalm 20:5). On May 9 Debbie had surgery designed to remove her pancreas. However, this objective was not able to be fulfilled. After recovery from the surgery, Deb started a very aggressive form of chemotherapy July 1. A week after that first treatment Deb began to experience very serious side effects from the treatment and had to be admitted to hospital. She is home now, but treatment is being reassessed. You can stay updated on her treatment on a Facebook page entitled "Mama Talbert's Cancer Battle" managed by my daughters. Pray that Debbie might be supernaturally healed, that her treatment would be effective, and that God would be pleased to give her many more years to serve both her family and the many friends to whom she has ministered over our many years in Alberta.

Lighthouse Baptist Church

Our church in Edmonton just finished hosting the 28th annual conference of the Western Canada Baptist Fellowship (WCBF). Due to Debbie's condition, I was unable to take part in the meetings July 14-16, but it was reported that attendance was good, preaching was good, and most important, the fellowship was good. Our featured speaker was Dr. Joel Arnold, former missionary with GFA to the Philippines and the latest addition to our full-time faculty at the college. Please pray for our church to glorify God and spread the Gospel in our community.

Foundation Baptist College

We praise God for answering several years of specific prayer for another full-time faculty member, Dr. Joel Arnold, who will be transitioning into the presidency of the college. The Lord has also greatly blessed us to now have a partnership with Maranatha Baptist University (Watertown, WI) whereby we can offer accredited degrees. I will continue to teach classes at FBC, but I will have less to do with administration. Pray for God to continue to use the college to strengthen Canadian churches and spread the Gospel.

Talbert Family

We are praising the Lord for enabling my son David and his family to return from Shanghai, China to Edmonton for the first time in three years. Please pray that they would know the Lord's direction for returning. That is not certain at this point. We also praise God for our youngest, Emma, to return from the Seattle area where she was serving as a nurse. Now she is nursing her Mom! It is a great blessing to have all of our children, in-laws, and grand children here at this time.

In Christ,
Bud and Debbie Talbert
