September 14, 2022

Dear friends in Christ,

We had good meetings in churches in Quebec, Canada, in August. It was refreshing to see friends I had not seen in a long time, and enjoyable to spend good time with my family there too. We had a little break with no meeting over Labor day weekend, and now we have meetings through the end of October, except for one week. Several of those are with supporting churches, but most are with new churches.

We've just crossed the year mark since we arrived in the USA from the Dominican Republic (DR) last year. We arrived at the beginning of September, 2021. A lot has happened since then. In November, in God's providence, we understood we needed to leave the DR. Then, in January of this year, we committed to serving in Spain as missionaries. We then started meetings in churches by the end of February.

Our support level is at 93-94%. We trust that with the remaining meetings we will have what we need to go to Spain.

Another momentous event is that we just applied for visas on Friday. That has been quite the process. Lord-willing, we'll be in Spain by the end of November or early December, as the visa takes around 3 months to process. By God's grace, we were able to do that as we received our new papers to replace those that had been water damaged on the 2nd of September, and we then proceeded to get those translated before the visa application.

Grace and Peace,

Jeremie, Amy, and the kids
