---

### Special Thanksgiving Offering

For the last couple decades, the congregation of Meadowlands has participated in a sacrificial offering on Thanksgiving. This year's gift will go toward "Mortgage Reduction" (currently \$500k) and "Ukraine Relief" (\$35k already given). You can make the appropriate designation on your offering envelope or e-transfer (either or both). Recent updates from Sam Slobodian are found here: [www.baptistinternational.org/news](http://www.baptistinternational.org/news). All funds will go directly to the 120 churches throughout Ukraine that belong to "The Brotherhood of Independent Baptist Churches." They are distributing humanitarian aid and the Good News of Jesus Christ! Donations not designated will go to the general fund for our missionary support and regular budget expenses.
