LAST DAY TO SIGN UP IS SUNDAY, JAN 21!**

The last few months have been very busy, to say the least. We had the privilege of hosting 2 medical teams and 3 construction teams. We were privileged to partner with C.W.E. for the construction of the Good Seed Baptist Church in Cotoca, Santa Cruz. This Church is pastored by one of our seminary students. Cotoca is a very strong catholic town and is where the Catholic Saint "Mamita de Cotoca" is. Once a year, people from Santa Cruz, walk the 17 kilometres to worship her. It is a great blessing to see an independent, fundamental Baptist Church being established in this town.

We also finished our Seminary year and had the graduation a few days ago. This year we finished strong with 23 students. We are excited for the future as we have seen an increase in students this year and in their dedication and spiritual maturity. Bolivia is in great need of pastors and Christian servants. We have many churches without a pastor and we are privileged to have a small part in fulling that need. Our students take regular trips to the country-side to help in local churches that are in these small towns and villages.

We hosted 2 medical teams. One was a BIMl connect trip with our director Sean Lunday and the other was with C.M.S. Between the 2 teams we saw over a 1000 patients and over 400 professions of faith in Jesus Christ. All the pastors and the churches where clinics were held are now doing follow-up work and discipling these new believers. We were able to treat some very sick patients but more importantly share the gospel with each one of the patients.

***Prayer and Praise:***

Praise the Lord for all the new believers that are being discipled.

Praise the Lord for the beautiful church built in 3 weeks.

Pray for a Pastor for Emanuel Baptist Church.

Thank you so much for your faithful financial and prayer support to our ministry for all these years.
