MON-TUES EVENING 7:00PM

While our quarterly prayer letter is not scheduled for a few more months, we wanted to keep you up to date on our current situation so that you could pray for us in the next five months.

As you know, over the years our church has been struggling with attendance. Prior to the lockdown of 2020, people were already falling away. Lockdown simply encouraged people in their apathy towards the church. When we were finally able to gather together again, and the majority of the public fears had subsided, we continued our regular community outreach efforts. Unfortunately, we noticed greater disinterest in the community and have not been able to reach new people with the Gospel.

As a result, we have been praying for the Lord's direction. The uncertainties of life and ministry, coupled with our inability to predict the next few days, let alone the next few years, have been emotionally challenging and draining on many levels. Through it all we have continued to trust the Lord to guide us and have committed ourselves to doing His will, whatever that might be.

In April, we heard about a church in a neighboring city that had gone through a split aggravated, but not caused, by the lockdown measures. To make a long story short, one small group followed the pastor and left, while another group followed the main instigator in a different direction. The church was left without a pastor, and with just a small group of people who have been trying to keep things running.

For the past month, our skeleton crew has been joining with theirs, and Darren has been preaching for the worship services. The church needs much spiritual feeding, guidance, support, and prayer. We ask that you join us in praying for them as we seek to minister and be a blessing to them.

The Lord knows and has a plan! However, it is not being broadcast to us through a general announcement but rather unfolded on a painfully slow, step-by-step basis that requires us to trust and rest in Him.

For His glory and for the souls in Canada,

The Hammermeisters

Please remember these recurring needs:

- Darren: sinus congestion, surgery (2025)
- Services, community outreach, and meeting people
- Spiritual growth of our people
- Unsaved friends and family of our members
- Committed families to join with us in our efforts in reaching Surrey
