April 2024

A lot has happened since our last prayer letter. We are now in our second trimester at Baptist International Seminary. We praise the Lord for a great group of students and for a great spirit in the student body. At the present time we have 36 students faithfully studying for the ministry. They are taking turns going on monthly outreach trips into the country side of Bolivia as part of their educational requirements.

We are thankful for the progress we have been able to make on rebuilding our seminary curriculum and for the help in orienting us toward the future. We are aiming toward a more formal education with accreditation and also new infrastructure. Our buildings are old and not suitable any more for the amount of students we are presently serving. We covet your prayers as we endeavour to make it a more applicable and sustainable seminary.

We are again looking forward to helping with a Baptist International Missions, Inc. (BIMI) connect trip, in June, with our director Sean Lunday. This time we will be in northern Bolivia in 2 BIMI churches. We covet your prayers for many souls to be saved and added to the churches. The pastors and churches where clinics are going to be held will be doing follow-up work and discipling the new believers.

We are also still very much involved with Emanuel Baptist Church. The church is growing and needs a pastor. We recently baptized 3 new believers and are thankful for the Lord's blessing. Please pray for this church and for the Lord to provide pastor for them.

Prayer and Praise:

Praise the Lord for the growth at Emanuel Baptist Church.

Praise the Lord for the new students attending our seminary.

Pray for a Pastor for Emanuel Baptist Church.

Pray for wisdom as we renew our seminary.

Pray for many souls saved during the medical week.

Thank you so much for your faithful financial and prayer support to our ministry for all these years.
